

ATTENDANCE MANAGEMENT SYSTEM

FINAL UI/UX & BUTTON DESIGN SPECIFICATION

This document is the **SINGLE FINAL DESIGN REFERENCE** Any future development must strictly follow this file. If something is not matching this file, it is considered incorrect.

GLOBAL DESIGN FOUNDATION (MANDATORY)

Design Language (STRICT)

- Style: **Enterprise HRMS / Corporate-grade**
- Visual Tone: Calm, trustworthy, professional
- No playful UI, no neon colors, no gradients overload
- Consistent spacing, alignment, and typography
- UI must look suitable for **salary, payroll, audit usage**

Design Language

- Style: **Modern HRMS / Corporate Professional**
- Layout: **Clean, minimal, card-based**
- Approach: **Mobile-first, responsive**

Color Palette

- **Base Background:** White (#FFFFFF)
- **Secondary Background:** Light Gray (#F5F6F8)
- **Primary Color:** Indigo / Blue (#4F46E5)
- **Success (Positive Actions):** Green (#16A34A)
- **Danger (Destructive Actions):** Red (#DC2626)
- **Warning / Site Visit:** Orange (#EA580C)
- **Text Primary:** Dark Gray (#111827)
- **Text Secondary:** Gray (#6B7280)

Typography

- Font Family: **Inter / System UI**
- Headings: Semi-bold
- Body text: Regular

Components Style

- Cards: Rounded corners (12–16px)
- Shadow: Soft shadow (shadow-md)
- Buttons: Rounded-lg
- Animations: Smooth hover + tap (scale-105)

Motion & Animation System (MANDATORY)

All animations must be **subtle, professional, and performance-friendly**.

Global Animation Rules

- Duration: 150ms – 220ms
- Easing: ease-out
- No flashy or bouncy animations
- Animations must never block user action

Button Animations

- Hover (Desktop): scale-105 + soft shadow increase
- Tap (Mobile): scale-95 for 80ms
- Disabled button: opacity-50 + cursor-not-allowed

Page Transitions

- Page load: fade-in (opacity 0 → 100, 150ms)
- Tab switch: slide-up (translateY 6px → 0)

Card Animations

- On load: staggered fade-in (important cards first)
- On hover: slight shadow elevation

Form Animations

- Input focus: border highlight (primary color)
- Validation error: subtle shake + red border

Loading States

- Skeleton loaders for tables and cards
- Spinner only on action buttons (Punch In / Submit)

Toast Notifications

- Success: Green toast (top-right / top-center mobile)
- Error: Red toast
- Warning: Orange toast

- Auto dismiss after 3 seconds

Special System Animations

- Punch In / Punch Out:
- Button morph animation
- Status card updates with fade + count-up
- Auto Punch-Out warning:
- Pulsing orange badge
- Cards: Rounded corners (12–16px)
- Shadow: Soft shadow (shadow-md)
- Buttons: Rounded-lg
- Animations: Smooth hover + tap (scale-105)

Logo (MANDATORY)

- Company Logo always visible
 - **Admin Panel:** Top-left sidebar
 - **Employee Panel:** Top header (Home screen)
-

ADMIN PANEL – COMPLETE DESIGN & BUTTON STRUCTURE

Layout Structure

- Desktop: **Left Sidebar + Main Content Area**
- Mobile: Sidebar collapsible

Header Bar (Top)

- Page Title (dynamic)
 - Month Selector (where applicable)
 - Admin Profile Dropdown:
 - Profile
 - Change PIN
 - Logout
-

SIDEBAR – ADMIN MAIN SECTIONS

SECTION A: Dashboard

- Dashboard
 - Overview Cards:
 - Present Today
 - Absent Today
 - Pending Leaves
 - Pending Expenses
 - Buttons:
 - View Today Attendance
 - Go to Payroll
-

SECTION B: User Management

Employees

- Add Employee
- Edit Employee
- Disable Employee
- View Profile
